

The image features a deep red, textured background. In the upper right, a cluster of white lines with circular endpoints forms a shape resembling a stylized 'V' or a group of intersecting paths. The numbers '6' and '2' are printed in white within this cluster. Below this, a large, white, triangular shape points to the right, partially obscuring the red background. At the bottom, another set of white lines with circular endpoints hangs down, mirroring the style of the top cluster.

LA MONTA 1962

MONTGOMERY AREA HIGH SCHOOL
MONTGOMERY, PENNSYLVANIA

WELCOME . . .

to "Year in a Sphere" --theme of our yearbook. We have arranged chambers in a sphere according to their importance in our school system. We shall start with the outermost chamber and work toward the center. Step inside and we shall show you around.

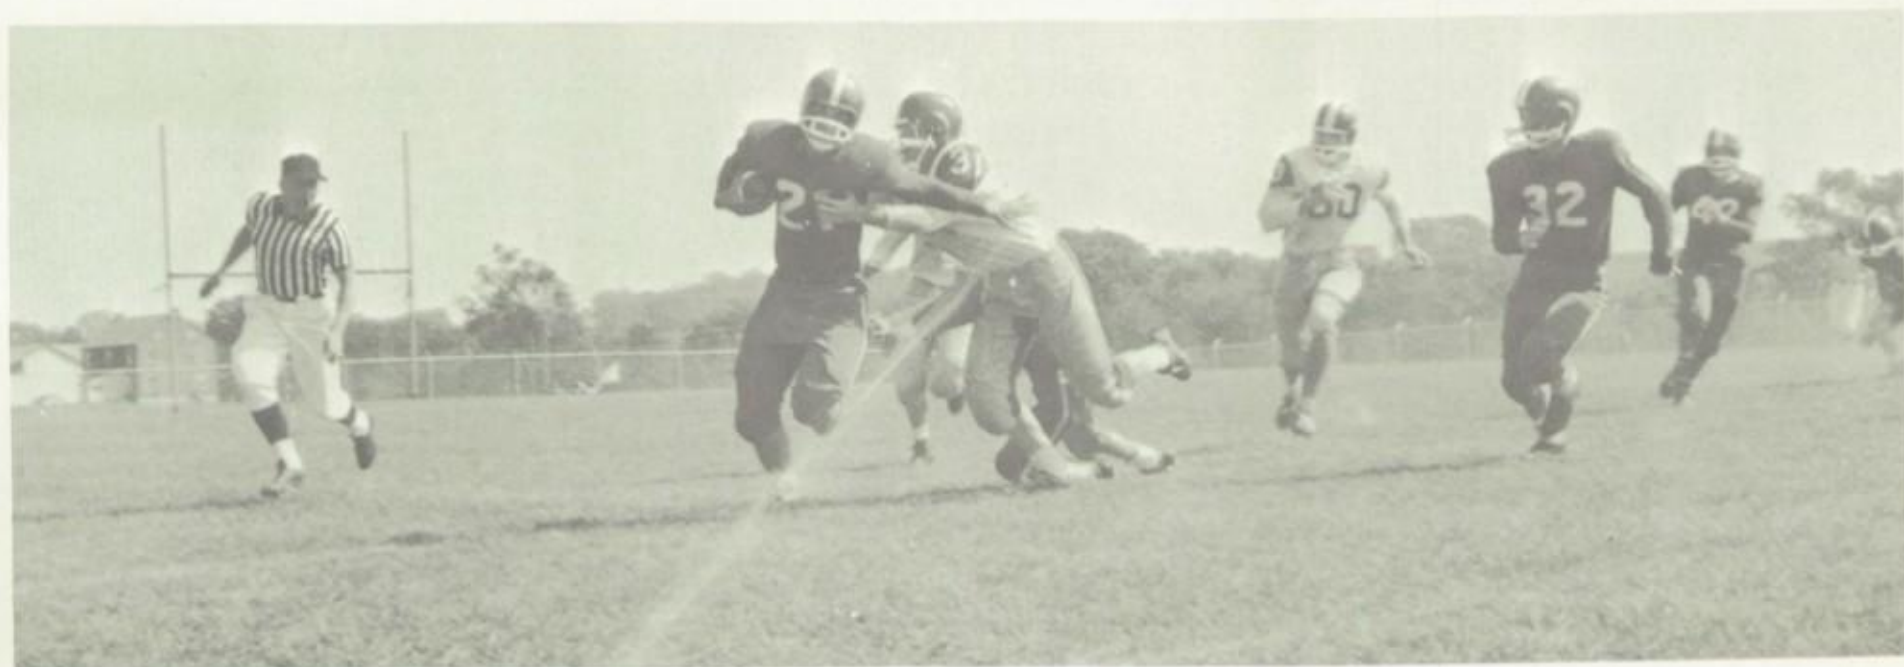

The first chamber contains events and sponsors. Here we find the excitement of athletic games and contests, the tranquility of beautiful dances, the dignity of pageants, and the industry of the community that co-operates with us to realize many of our efforts.

Moving to the second chamber, we find students attending classes, working, playing, and growing in mind and body and organizations preparing a publication, conducting student government, practicing music, and taking part in various projects.

Entering the third chamber, we find the administration co-ordinating the work of the school system and planning the future school system and the faculty conducting classes, sponsoring organizations, coaching sports, and participating in other activities.

Arriving at the heart of the sphere and at the fourth chamber, we find the dedication so placed to show the respect and love we have for Mr. Bird.

On October 21, 1961, Homecoming was the big event. On that day Montgomery encountered Loyalsock in a very exciting football game.

For that day a queen and her court had been chosen by the students, and those girls reigned over the football game and dance that evening.

The day was made successful by winning the football game and by having an outstanding turnout at the game.

Roberta Pentz, Flaming Foliage Queen, enjoys the parade.

SLOP DAY

"Dig that get-up!" is an expression that circulated through the school on "Senior Slop Day," November 1, 1961. There was good reason for the expression because many of the seniors were dressed most untidily. They were able to pull off numerous capers, which received better-than-usual understanding from the teachers.

When evening came, the grade parents treated the seniors to a spaghetti supper which was served at the local firehall. Later the seniors enjoyed games and dancing. The activities of the day were filled with lightheartedness and the warmth of friendship.

"Hurry with the food!" "I'm hungry."

CHRISTMAS

Dancers will soon fill the gaily decorated ballroom with Christmas spirit.

... and here come some of them -- Ann Crevelling, Kay Miller, and their escorts.

The annual Christmas Dance, sponsored by the Student Council, was held December 23, 1961, in the school cafeteria. Music was furnished by the newly organized high school dance band, the Skyliners. The dance which was well attended was enjoyed by all.

WINTER WONDERLAND

Dreamy music helps the dancers enjoy the Christmas Ball.

"Winter Wonderland," sponsored by the French Club, was held March 3, 1962, in the school cafeteria. Music was provided by the school dance band, the Skyliners. The cafeteria was decorated with snowflakes hanging from blue and white crepe paper which formed a false ceiling in the center of the room. White, glittered branches placed on the wall gave a woodland effect. The highlight of the evening was the crowning of the Royal Court which consisted of the following: Juniors: King--Jim Reaser, Queen--Doris Claudfelter; Sophomores: Prince--John Russell, Princess-- Nedra Buchta; Freshmen: Royal Attendants--Marlin Brouse, Sharon Haskins.

CLASS PLAY

"No barefoot bride is goin' to marry my Willy!"

"Huh," Bill said, "You mean I have to go through that?" as Mr. Fluman applied make-up to Faith's eyes.

Mr. Bird, class play director, receives token of appreciation.

The senior class play, "A Feudin' Over Yonder," was presented April 13 and 14. The play was centered around two families, the Frys and the Popoffs, who have been feudin' for some time over a little hunting accident. Meanwhile, the two Fry gals, Rosie Belle and Emmy, fight over the only unattached male in the hills. Mountain Maggie, a legendary character, who nurses the sick and helps put an end to the feud by the use of a "love potion" she has prepared. When the play comes to an end everyone is happy, but not before there are quite a few merry mixups and rib-tickling situations. Main characters not pictured: Mountain Maggie -- L. Derr, Rosie Belle Fry -- M. Crawshaw, Aunt Harry Hornhonker -- H. Baumgardner, Pappy Popoff -- C. Brouse, Zeke Popoff -- C. Munns, Travelin' Preacher -- C. Miller, Wedding Guests -- J. Bartlett, R. Lynch, E. Green, Musicians -- E. Shrimp, B. Kowatsch.

"Oh, my poor Izzie! Be ya hurt?" Main characters in this scene are: D. Bingaman -- Willy Hornhonker, F. Lovelace -- Emmy Fry, A. Creveling -- Becky Mae Hornhonker, B. Barto -- Izzie Fry, J. Kuhns -- Maw Fry, J. Harding -- Clem Fry.

The eighth -- grade and eleventh -- grade girls performed the traditional May Pole Dance.

Charles Munns, M. C., and Charles Brouse, singer.

May Day ceremonies were held May 4, 1962, in the high school gymnasium. Master of ceremonies for May Day was Charles Munns. When the 1962 May Day Queen entered the gymnasium, Charles Brouse sang the traditional May Day song to her. Girls from the eighth and tenth grades performed the May Pole dance for the royal court. Wayne Shrey, a senior did an imitation of Bob Newhart. The high school band played while Sharon Mowery did a twirling routine. A modern dance group and a tumbling group, both from the physical education department, entertained the court and the audience. A quartet of senior girls sang two selections for the court. The highlight of the afternoon was the crowning of the 1962 May Day Queen, Anne McQuay, by the 1961 Queen, Diane Yeagle. Faye Ring, the 1961 May Day Princess, crowned the 1962 May Day Princess, Sharon Haskins. The May Day Dance was held that evening in the school cafeteria.

The gymnast presented an interesting exhibition.

ROW 1: Judy Moore, Connie Waltz, Sandra Hain, Kerry Hall, Anne McQuay -- Queen, Barbara Decker, Faye Ring, Nedra Buchta, Connie Hoover. ROW 2: Rose Johnson, Mandy Walborn, Sharon Haskins -- Princess, Roberta Pentz, Faith Lovelace.

When the clock struck eleven, the orchestra began picking the royalty. First, the Juniors were elected: Sandra Burkhart, Princess, and her escort Larry Wertz, Prince. Then the seniors were chosen: Roberta Pentz, Queen and her escort Jerry Miller, King. The royalty danced to the senior class song "Moon River" as the class of "62" sang along.

On May 25, 1962, the Juniors held the annual Junior-Senior Prom in honor of the graduating seniors of 1962. It was held in the high school cafeteria from nine until twelve.

The atmosphere for the Prom was a nice warm day on an exotic plantation in southern Georgia called "Tara." The mood was created by Johnny Miller and the Starlighters.

The setting was retained by wall decorations of large black plantation pictures painted on white paper. The ceiling was covered with green leaves and green and white crepe paper. A small wishing well was used as a center piece.

At twelve o'clock our southern plantation turned back to a small room as the students departed.

T A R A

May I come to "Tara," too? The invitation to the Junior-Senior Prom.

Miss Anne McQuay, our Laurel Queen, attended the State Laurel Festival held at Wellsboro June 22-24, 1962.

CLASS OF 1962

The morning of June 1, 1962, meant senior program practices and stage decorations -- all in preparation for the afternoon.

The afternoon brought the program which began with class history, class will, presentation of gifts to seniors, and awards by Mr. Crist. The highlights of the program was the dedication of the yearbook.

At 5:30 that evening, the seniors gathered in fellowship at St. John's Lutheran Church to eat a delicious supper. Amusing gifts given the seniors after the supper added a note of fun and frivolity.

After the class supper, the seniors returned to school to present "Class Night," a "first" program especially for the parents. Each section of the senior class produced a skit. The vocational seniors' skit concerned radiation fallout. The business seniors' skit was similar to the Mitch Miller Show. The academic seniors produced a mimic skit of their teachers. There were vocal selections and an organ solo. Slides introduced each senior, and a film entitled "A Day with the Senior Class of 1962" was shown. Mr. Crist and Miss Ruggles presented awards. Then the seniors sang their class song and recessed.

A cheery smile and a sigh of relief from Ann Crevelling and David Bingaman as Class Day and Night come to an end.

Vocational Skit "How to Survive in Fallout." Marsha Reeder and Dustin Pfirman show how to bandage a broken jaw.

A Bob Newhart Driver Education Skit was presented by Wayne Shrey. "Now who was your last driving instructor Mrs. Webb?"

Rev. Adam P. Bingaman delivered his Baccalaureate Sermon, "One More Course," to the graduating class on June 3, 1962. The sermon dealt with optics, visions of life.

Bill Barto receives his diploma from Eugene Pauling, President of the School Board.

For education is both the foundation and the unifying force of our democratic way of life -- it is the mainspring of our economic and social progress -- it is the highest expression of achievement in our society, ennobling and enriching human life. In short, it is at the same time the most profitable investment society can make and the richest reward it can confer.

FRESHMAN HISTORY

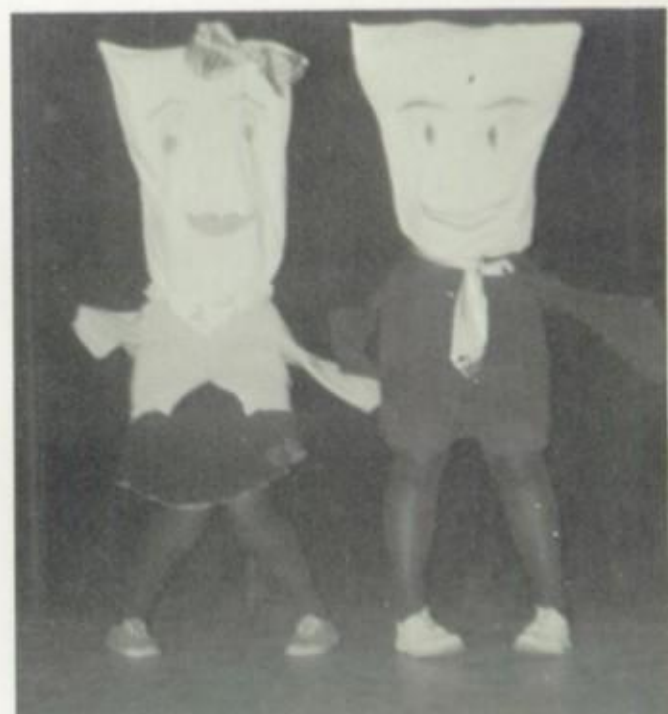

In September, 1958, we entered high school as freshmen, and as freshmen we enjoyed the privilege of selecting our own individual courses.

For class officers we selected John Hinkle, president; Mandy Walborn, vice-president; Anne McQuay, secretary; and Bill Barto, treasurer.

Representing our class on the Student Council were Bill Kowatsch, Mandy Walborn, and Charles Brouse.

Class advisors and homeroom teachers who helped guide us through our first year were Mrs. Burley, Mr. Cherilla, and Mr. Bower.

We enjoyed many parties, hayrides, and dances as a class during the year, but in June of 1959 our first year of high school came to an end.

Goopies, Helen Thompson and Elva Mae Green, were the life of the freshman assembly.

SOPHOMORE HISTORY

The Sophomore car wash produced needed class funds.

In 1959 our class eagerly returned to school, not as freshmen, but as sophomores at last.

The class elected John Hinkle, president; Charles Brouse, vice-president; William Kowatsch, secretary; Egon Patz, treasurer; and Paul Farley, sergeant-at-arms.

To the Student Council we elected Mandy Walborn, John Hinkle, Charles Brouse, and Bill Kowatsch.

On November 13, our class sponsored a "Sock Hop" which was our most successful money-raising project of the year.

Mrs. Troth, Mr. Bower, and Mr. Zeisloft helped guide us through the year.

JUNIOR HISTORY

In the fall of 1960 we happily returned to school with a full schedule of events ahead of us.

To lead us through this important year we chose John Hinkle, President; Charles Brouse, vice-president; Anne McQuay, secretary; Joe Harding, treasurer; and Chuck Munns, sergeant-at-arms.

Student Council representatives during this year were Mandy Walborn, John Hinkle, Charles Brouse, and Bill Kowatsch.

Selecting our class rings was the first order of business. We later selected and ordered our felt goods. We sold a variety of Christmas cards, candles, and jewelry to raise money for the year.

The biggest and most anticipated event of the year, the Junior-Senior Prom, was held May 19, 1961, with Hawaiian Sunset as a setting for the prom.

Guiding us through this very successful year were Mr. Kopec, Mr. Ohl, and Mr. Reid.

Many hours of work went into our prom.

CLASS POEM

Now the time has come
for our class to say good-bye;
We'll all leave our dear old high school
with a teardrop in each eye.
We'll miss the teachers who have taught us
throughout these many years,
Helping us to learn what's right
and to conquer all our fears.
The sports and dances we recall,
as each of us departs,
Will all be memories held so dear,
deep within our hearts.
We'll miss the halls and classrooms
we've passed through every day;
All these things will be close to us
as we go along life's way.
You've helped prepare us for the future
and the many days ahead,
For any walk of life,
or any paths our feet may tread.
Farewell to friends and teachers
that we now leave behind,
To face a bright new future
which we will surely find.
And now as we are leaving,
we bid a sad good-bye;
Farewell to you, our guiding light,
Montgomery Area High.

CLASS MOTTO

Ever forward,
Never Backward.

CLASS SONG

THE YEARS WE SPENT WITH YOU
M.A.H.S., you're the school we all love.
We'll always recall the memories of
The years we spent here with you.
No one will forget the times that we had,
Most of them good but some of them bad--
The years we spent here with you.
We know we never will forget you or never regret you,
For we were inspired from the start.
Now the time has come to bid you farewell.
All of us pray you'll remember us well--
And the years we spent here with you.

music. He is very active in the work of our community. He is a former president of the Lions Club, serves on the board of directors of the Red Cross in Montgomery, and is a board member of the Lycoming County Association for the Blind.

Mr. Bills, our high school principal, came to us three years ago from Danville High School where he was a teacher, athletic supervisor, and football coach.

His hobbies are golfing, hunting, fishing, and

other sporting activities. He is a member of the Methodist Church and Lions Club and is active in the Community Fund Drive, Boy Scout work, and community recreation.

SCHOOL BOARD

The Board of Education of the Montgomery Area Schools is composed of elected member representatives. Its principal duties are to exert complete authority over all school functions, to set up the most efficient programming possible, and to make the best use of its funds for education.

ROW 1: Lehman Hakes, Leonard Stolz, Kenneth Bryfogle, Eugene Pauling. ROW 2: Harry Pauling, Horace Lovelace, Murry Snyder. ROW 3: Frederick Ireland, Phillip Bower, Donald Miller, George Holtzapple. ROW 4: Brady Budman, Paul Hagenbuch, Lester Page. ROW 5: Frank Staggert, Lester Detrick, Samuel Wise (deceased), Leroy Eck. ROW 6: Donald Jarrett, John Heilman.

We dedicate our yearbook to a teacher who has willingly given his time, interest, and understanding to the students of the Montgomery Area Joint High School.

In his classes we may find a group of interested students preparing for the United Nations test, or during the noon hour we may see him timing and listening to a student practicing his speech for the oratorical contest. He also gives his time to direct the senior class play, to help with Class Day, and to guide us through Commencement.

We are truly grateful for the kind interest and understanding he has given us. And now we the Class of 1962 in acknowledgement of the time and consideration he has given us dedicate to Mr. William Bird the fifth edition of the "La Monta."

Democracy is the essence of Student Council. A student-elected, representative body, the Student Council instills in the minds of young adults that government by the people is best.

This student government presents the opportunity for students to pronounce their opinions and to present their ideas. It develops leadership, responsibility, poise, confidence, and a working knowledge of how representation in government functions.

Members are elected yearly, having one member from each home room and also a class representative. The senior class has three more members than any other class.

Various functions of the Student Council are as follows: sponsoring such activities as Homecoming and May Day festivities and dances including Homecoming, Christmas, and May Day.

The Montgomery Area High School Band is a multi-functioning organization. Beginning in the fall, the band is very active providing half-time entertainment at football games.

November finds the band indoors and in earnest preparation for the spring concert season. The concert band can boast an enviable reputation for its musical excellence, which is further accented by its full instrumentation.

In addition to assemblies, a formal evening concert, and a phonograph record release, the band makes an annual out-of-town concert tour.

THE WOODWIND QUINTET

The Woodwind Quintet is a select group of performers on woodwind instruments. The organization gives these students an opportunity to play and to become acquainted with various types of music literature. Since all members of this organization are regular band members, their public appearances are limited to the annual band banquet and an occasional church or community function.
